

Hello again!

A shorter newsletter this time, but a VERY important one all about the equipment you need to get ready over the Summer Holidays and bring with you when you come to Hobart in September!

Equipment!

I know from visiting lots of your Junior/Primary schools that many of you are used to using and sharing pens, pencils, scissors etc that are kept in your classroom.

There is a big difference between what you are used to and how we work at Hobart. Every student brings their own equipment to school every day, so you will need to get organised please!

You will need a strong bag or rucksack that you can carry your equipment and books in. You will take your bag around school with you, so make sure it is comfortable to carry!

You will also need a non-spill water bottle. You can refill this at break and lunchtime with water (just water—not squash please!) and have this on your desk in most lessons, should you want a drink.

On the next page I have made a list of the equipment you will need to bring with you EVERY DAY in your pencil case. Your challenge is to turn this into a poster that you can put onto your bedroom wall, so that you will remember what you need. From September you can also use it to check to make sure you have replaced anything you have lost or broken!

If you would like to take a photo of your finished poster and email it to me I'd love to see it — we may be able to put some of them up in your form rooms too!

One final thing... **PLEASE MAKE SURE THAT ALL OF YOUR EQUIPMENT HAS YOUR NAME CLEARLY MARKED ON IT.** This makes it a lot easier to return it to you when you leave it somewhere— and yes, you will!

Best Wishes
Mrs Holmes

My Equipment List!
