

19 January 2022

Dear Student

Please find attached the exam timetable for summer 2022.

This timetable covers all exam subjects we will be doing at Hobart. In February you will receive your individual timetable that will show your specific exams with tiers of entry for Language, Maths and Science (whether you will sit the higher or foundation papers).

Just a reminder that these exam dates and times are set by the exam boards so cannot be moved. This means that during the exams session medical appointments, holidays etc. should not be booked. Missed exams will mean no marks for that paper and will have a negative impact on your overall grade.

Yours faithfully

**Mrs K Beaumont**  
Examinations Officer
