Post 16 Evening

This presentation will be emailed to families and on our website

Evening Outline:

- Welcome & Introductions
 - Opportunities available after leaving Hobart
 - Application process & Help You Choose
 - Hobart Information
 - Guidance & Support
 - Opportunity to meet the providers
-

Resitting is compulsory for **Maths & English** if you do not achieve a pass grade (4)

You must stay in some sort of education or training programme until you are 18.

It's up to you to decide what that will look like.

Choices at 16...

Continuing studies

- A Levels
- T Levels
- Vocational Qualifications
Eg). BTEC

Combining work & study

- Apprenticeships
- Traineeships
(preparing you for an apprenticeship)
- Job with training

It's always important to do some research around the careers you are interested in to see the best pathway to take- often there is more than one!

There are lots of options available to you whether you choose an academic route or a vocational route.

Level	Academic Route	Vocational Route
Level 1	<ul style="list-style-type: none"> GCSEs - Grades 3-1 	<ul style="list-style-type: none"> Foundational Learning BTEC Level 1

A Levels

- Description:** Study a subject you took at GCSE in greater depth or choose a new one that you're interested in. You could take 3 broad subjects you are interested in to keep your career options open or choose ones you need for a specific career.

- Duration:** 2 years

- Assessment:** Mostly exams at the end of the course

- Level of study:** 3

- Entry requirements:** Course dependent, typically 5 GCSEs Grade 9-4 (usually including English and Maths)

- Work experience:** Usually 1 week during year 12

- Leads to:** University/college, higher and degree apprenticeships, work

Academic

T Levels

Academic

- Description:** Designed in partnership with employers to give you the skills and knowledge to get on in the workplace. Combines classroom learning with industry placements to prepare you for skilled work or higher level study. 1 T Level is the equivalent of 3 A levels.

- Duration:** 2 years with 3 month work placement

- Assessment:** Exams, projects & practical assignments

- Level of study:** 3

- Entry requirements:** Course dependent

- Work experience:** At least 45 days on industry placement

- Leads to:** University/college, higher and degree apprenticeships, work as you still earn UCAS Points.

Currently offered by:

- East Norfolk Sixth Form
- City College Norwich
- Thorpe St Andrew Sixth Form
- University Technical College (UTCN)

BTEC

Description: A flexible vocational pathway that allows you to study a particular subject such as hair dressing or bricklaying, alongside or instead of A-Levels. You will develop practical skills and knowledge that employers will love.

- **Duration:** 1 or 2 years
- **Assessment:** Mainly assessment based
- **Level of study:** Can be completed at different levels (more on next slide)
- **Entry requirements:** Course dependent, dependent on level of study
- **Leads to:** Higher and degree apprenticeships, work

BTEC

It's important to remember that BTECs start at different levels. You must select the most appropriate level for you- don't undersell yourself!

**On some course
e.g. bricklaying at City
College you have
to start on a level 1
course**

- **Is this right for you?**
- **Is there an apprenticeship that's more suited to you?**

Level	BTEC Qualification	Equivalent to
3	BTEC Extended Diploma	3 A Levels
3	BTEC Diploma	2 A levels
3	BTEC Subsidiary Diploma	1 A level
2	BTEC Diploma	4 GCSE's 9-4
2	BTEC Extended Certificate	2 GCSE's 9-4

LEVEL 3 *Advanced apprenticeships*

Typical length
12-24 months

Entry requirements:
Usually 5 GCSEs

Qualifications obtained:
A levels or equivalent

Who's it for?
Mostly for 16-year-olds with reasonable academic achievements but who don't want to study in sixth form.

LEVEL 4/5 *Higher apprenticeships*

Typical length
3-5 years

Entry requirements:
A levels or equivalent

Qualifications obtained:
Higher national diploma / foundation degree

Who's it for?
Mostly for those who want to qualify for professional career paths without attending university or college. Sometimes referred to as 'school leaver' or 'non-graduate' programmes.

LEVEL 6/7 *Degree apprenticeships*

Typical length
3-7 years

Entry requirements:
At least 2 A levels or equivalent

Qualifications obtained:
A BA or BSc degree or higher

Who's it for?
Mostly for those with excellent sixth form results that want to study for a degree or similar whilst working. Aimed at attracting high-calibre candidates to bridge professional skills gaps.

Apprenticeships

You can look for Apprenticeships on
www.findapprenticeships.service.gov.uk

Remember apprenticeships are advertised all year round, so many won't be available until after Christmas.

Apprenticeships suit students who:

- Want to start earning money
- Like to learn while doing a task
- Want to gain experience in the work-place

You can do A-Levels first and then do a higher level apprenticeship.

[About apprenticeships](#)

Apprenticeships

- **Must have a back-up of a full-time course!**

- ***Benefits of an apprenticeship***

- Earn a salary whilst in a real job
- Learn job specific skills
- Gain a variety of transferable skills
- Progress into higher education
- Work towards nationally recognised qualifications

Most apprenticeships won't be advertised until after Christmas, you apply for them later than you would a college course!

Start thinking...

- Do you want to stay in full-time education or work and study part time?
- What subjects do you want to study?
- Do you want to train for a specific career or keep your options open?

Career development is a lifelong journey & the world of work is always changing!

It's important to keep learning & developing your skills and abilities throughout your life!

Have a back-up plan...

- Even if you know what you want to do it is a good idea to have a back-up plan
- Particularly important if you are aiming to do a popular course or career
- You may need to change your plans if you do not get on your chosen course or find it difficult getting an apprenticeship, traineeship or job

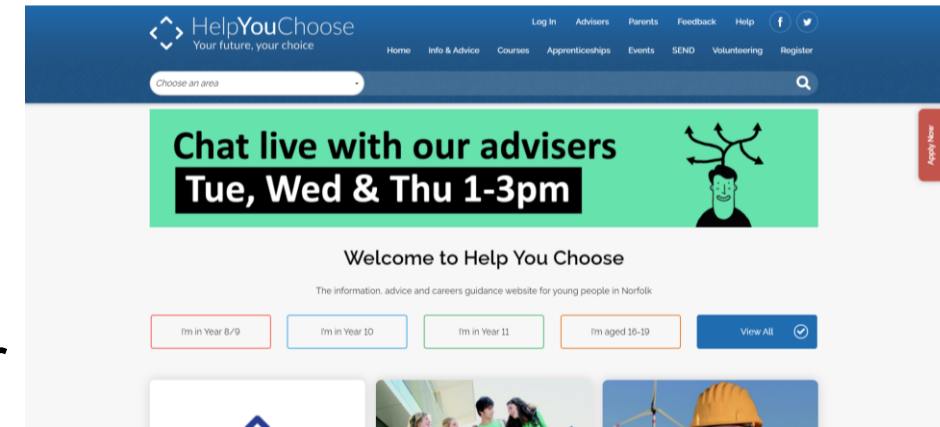

How do I apply?

You can apply directly to the course/training provider via their website

Alternatively, you can use **Help you Choose....**

- Norfolk's careers information, advice and opportunities website for young people, parents and carers
- Prospectus of courses, training and jobs in Norfolk
- Prepare and submit online applications
- Information and advice on choosing options
- The website address is: www.helpyouchoose.org

- **Easier**
- **Quicker – one statement can be used!**
- **Keep track of your applications more easily**

Who is eligible for post16 travel scheme

The post16 travel scheme offers support to students who study at school sixth forms, sixth form colleges and further education colleges.

To qualify for the post16 travel scheme, students must:

- Live in Norfolk at least three miles from the sixth form or college (this is measured by the nearest walking route as determined by the Council). Transport will also be provided for Easton College students living outside Norfolk, if a student travels on the direct routes funded by the College
- Be studying full-time (at least 540 hours per year supervised study - approximately 14 hours per week)
- Be under 19 years of age on 1 September, or under 25 years of age for [students with special educational needs \(SEN\)](#) (transport will be provided up to the end of the course year in which the student reaches 19 or 25)
- Be studying a course of further education, not an HND, HNC or degree course
- Travel on a core route determined by us
- If your child has an Education Health and Care Plan (EHCP) there is no need to apply for travel assistance as the Travel Independence Training Team (TITAN) are already assessing who is entitled to travel assistance and if independent travel training might be appropriate for them - you will hear direct from one of the TITAN team soon.

Transport will not be agreed to any alternative college, sixth form college, sixth form or other learning establishment, even if the qualification or course is not available at the designated core route establishment.
