Dear Parents/Carers

Re: Summer 2020 Exam Timetable – Exam Contingency Day

We need to make you aware of an addition to the exam timetable which may affect your plans at the end of the Summer Exam series. The exam time table runs from 11 May 2020 to 12 June 2020 and is available on the school website along with other key exam dates.

In response to the disruption to some students exams following the tragic events of last summer namely the Terrorist attacks in Manchester and London and also the Grenfell Tower fire, the Joint Council for Qualifications (JCQ) have put in place an National Exam Contingency Day.

This means that in the event of widespread national or local disruption to exams this year, they would want to rearrange affected exams for a later date to allow all candidates equal opportunity to take the exams under the best possible circumstances.

The date they have set aside to accommodate any exam that might have to be rearranged is Wednesday 24 June 2020. This means that exam students should be available to sit exams up to and including this date.

We would therefore urge you not to make arrangements such as holidays or other events until Thursday 25 June 2020.

If you have any concerns regarding this date please feel free to contact us.

Yours faithfully
