

Hobart High School Literacy & Numeracy Catch Up 2019-2020.

The literacy and numeracy catch-up premium provides schools with additional finance to support Year 7 students who do not achieve the expected standard in reading or maths at the end of key stage 2 (KS2). The Department for Education (DfE) decide to whom this applies and informs schools. The total Year 7 catch up premium the school is estimated to receive is for 2019-20 is £15,987 and the school plans to spend the full allocation.

Identified area of spend	Reasoning	Monitoring Process	Resources
TA Provision to support a range of Literacy Interventions	Interventions for a range of targeted literacy interventions. Includes 1:1 and small group work allowing students to access all curriculum areas.	SEND team will monitor at the assessment points the progress made and additional testing/assessment as part of the interventions delivered. Reading ages are assessed on entry and again as needed to monitor progress.	£6077
TA provision to support a range of numeracy interventions.	Interventions for numeracy to allow greater access to the maths curriculum. 1:1 and small group.	SEND team will monitor at the assessment points the progress made and additional testing/assessment as part of the interventions delivered with the maths department.	£2000
