# Work Experience

*One of the first things that students will need to organise this year is Work Experience.*

**Monday 5<sup>th</sup> July – Friday 9<sup>th</sup> July**

- Students will need to generate their own work placements. We know this may be tricky at present. Try family & friends but they must have insurance.
- Our careers advisor, Siobhan, will meet with students to help support them through this process if necessary
- Work placements can be really helpful in deciding future careers, developing employability skills and getting into college placements
- Initial deadline for work placement forms is **December 16<sup>th</sup>**
  - Forms handed in after this date may not be accepted for that particular work placement!

# What makes a successful student?

***Preparing for GCSE's can be a challenging time for the entire family!***

- Attendance and punctuality
- Good preparation & organisation
- Hard work & effort- *even when times are tough!*
- Being able to take responsibility for your own learning
- Perseverance, Resilience and being willing to ask for help.
- Staying healthy – the importance of sleep, diet & monitored screen time
- Have some relaxation time!

# Targets to success

## Attendance-

- You should be aiming to have **100%** attendance at the end of Year 10 & Year 11
- If attendance starts to drop the chances of achieving your full potential is significantly reduced
  - **90% attendance- that is equivalent to missing 4 full weeks of school!**
  - 90% of students with less than 85% attendance fail to achieve 5 or more good grades!

# Targets to success

## Punctuality

- You need to arrive on time for school
  - You need to be in your form room at your allotted arrival time
- Late arrival means Virtual Assemblies and Tutor time can be missed
  - This is a key time when we pass on important information and support!
- You need to arrive on time for lessons
  - Failure to do so means you miss valuable teaching time and you may be required to make up the missed time!

# How can families help make a successful student?

- Attendance- make sure they are in school & on time
- Organisation- help them to be organised, have a copy of their timetable! Timetable & Homework are on Go4Schools
- Work together with your child and school
  - Speak to Form tutor, Head of Dept, Head of Year
- Be a good listener and advisor
  - Don't forget, what might seem small to you is a big deal for them!
- Be the ultimate provider... information, equipment, techniques, entertainment, relaxation, rewards!

# How can we help make a successful student?

## Small steps to a big jump...

A message from  
Mr Li Rocchi

- ✗ Phillips Idowu – gold medallist 2012
- ✗ 4 metres in an Olympic cycle
- ✗ 1 metre a year
- ✗ 10 cm a month
- ✗ 2.5 cm a week
- ✗ 0.25mm each training session

# How can we help make a successful student?

## Small steps to a big jump...

- ✗ Homework completion & monitoring
- ✗ Revision for assessments
- ✗ Use of revision timetables where there are several assessments at once
- ✗ “Smart revision” – concentrate on the weaker areas
- ✗ Using the resources available – Seneca, GCSE POD, Oak etc.

### Welcome!

This is the GO 4 Schools login page for Parents and Guardians

In order to login, you will need to use the email address that your child's school holds for you.

If you don't have a password yet, or have forgotten your password, you can request a password reset email using the First-time User? and Forgotten your Password? links.

**If you are having problems logging on, please contact your child's school.**

**GO 4 Schools Parent App**

If your child's school uses GO 4 Schools, they can add the GO 4 Schools mobile app to make it even easier for you to see your child's timetable, homework, behaviour records, attendance, etc. What you will see depends on which GO 4 Schools modules your child's school has subscribed to. View the Mobile App - Quick Start Guide for further details.

The GO 4 Schools Parent App is free for parents to download from the Apple and Android App stores, but you will not be able to log in unless your child's school has a current GO 4 Schools subscription that includes the App, and they have granted you access. **Your child's school will let you know if and when they have added the App to the school's subscription.**

The App uses the same login details (email address and password) as this web site.

If you can't log in to this site, you will not be able to log in to the App. If you think you should be able to log in to this website but can't, please contact your child's school.
